Daniel Khabirov

daniel.habirov.01@outlook.com · +79250257699

Moscow, Russia

EDUCATION

- **B.S. Computer Science, GPA: 7.4/10**
  Higher School of Economics University
  2019 - present

AWARDS & RECOGNITION

- **All-Russian Olympiads of Mathematics**
  regional round - prize-winner; final round - participate
  2017

- **All-Russian Olympiads of Informatics**
  regional round - three-times prize-winner;
  2017

HOBBIES & INTERESTS

- **Matrix Computations**

- **Algorithm problems solving**

SKILLS

- **Technologies**
  C++, C, Assembler, Bash, SQL, Python (numpy, pandas, matplotlib, statsmodels, telegram bots, Pony ORM)

- **Patterns & Practices**
  Object Oriented Programming, Data Science

- **Science**
  Algorithms and Data Structures, Computer Architecture and Operation Systems, Matrix Computations

PROJECTS

- **Telegram bot**
  Telegram bot for Economics school
  Python

- **High frequency Time Series Forecasting**
  Analyzing stock-market for forecasting price
  In Progress
  Python
